

'Peter Pan' 2018

There are not enough THANKS for the AMAZING production of Peter Pan last weekend. It was such a roller coaster weekend for our family and I cannot tell you how much joy it gave us to see the girls (Alexa and Ines) looking so thrilled, beautiful and developing into such amazing dancers.

Every part of it was just beautiful... the costumes, the choreography, the humour, the music and of course ALL the children.

THANK YOU ALL SO MUCH for all your amazing work.

All the best, Mariella

I wanted to write to say the most heartfelt congratulations to you and your extraordinarily impressive team! That was my first Ballet School production and my husband and I were blown away. It was so much fun above all else and captivating to watch but the standard of everything was so high – ballet, choreography, costumes – it really was so brilliantly and expertly put together. I now understand why it only takes place every other year – you need that long to recover!

Thank you so much for all the effort you have clearly put in. Iris is very lucky to have had the chance to take part in something so impressive at such a young age.

Best wishes Laura

Please will you extend a huge thank you to everyone who made today's show possible. Emily was a Baby Croc and it was a really special and exciting experience for her. The show was simply superb.

Peter Pan was AMAZING and Siv loved it. What an incredible joy it was to watch her as a Baby Croc. I remember doing shows myself and to watch my daughter was really something special. We really appreciate all the hard work that goes on behind the scenes to put on such a performance. What joyful memories we have of this afternoon. Siv was the last croc in the line to dance off and she was literally dancing for joy even as she left the stage. Simply wonderful! Thank you so so much. All the best, Nimu

OH MY GOODNESS!!! WHAT A SHOW!!! WHAT A PRODUCTION!

That was the most amazing children's show I have seen. The Ballet School have created nothing short of a miracle on stage!

Everything worked and ALL of the performers looked amazing. The attention to detail! The costumes! The make up! Gorgeous just gorgeous!!! I am so impressed!

Thanks so much and once again VERY WELL DONE FOR A STUNNING PRODUCTION.

Just to say that my friend and I were totally BLOWN AWAY by Peter Pan this weekend. I ambled up expecting to be only vaguely entertained when my little darling wasn't on the stage. Instead we were both enchanted right from the start... and my friend didn't even have a child in the show! It was an absolute triumph - the principals, the costumes, the choreography, the mood. It was so uplifting and wonderful and you deserve huge congratulations for pulling off a show of such an incredibly high standard. It looked as if it had been worked on for months every day, not just an hour or so a week with children tired after school. Truly wonderful and very moving. This is way and above the best show I've ever seen you do so well done! The parents were all as enthusiastic about the show as the Royal Wedding!

'Swan Lake' 2016

You are amazing and we are so lucky to be part of your fantastic school. I was telling my sister this afternoon how grateful I was that you were there. Cayetana was very nervous and seeing you and having you there makes all the difference. You are the MOST incredible caring and inspiring teacher and I have no words to thank you for all the work you have put into Cayetana's dance. Have a wonderful holiday and huge thanks for being there today. They'll never forget all you do for them.

Much love,
Teresa

A huge congratulations to you and your team for the most magical and entertaining show. You make all the dancers regardless of their ability feel like dancers and this encourages them not to give up!

That is a huge accomplishment. The music, humour, sets and perfectly rehearsed kids was astounding. Bravo!!! You did it again and surpassed.
Best wishes, Loren

Another impressive feat of organisation and imagination from you and all your team, please pass on my congratulations to all of them. My family was completely enchanted by the whole thing and Lila loved every minute of it. It is such a magical thing for them all to be involved in and one they will certainly remember all their lives. Thank you so much for making the whole experience so joyous.

The fact that Lila is at ballet again now is testament to what a happy part of her life it is and that is so much thanks to you!

Love from us all, Sophie xxx

Hi Vanessa,

Congratulations on Swan Lake which was such a triumph! We enjoyed it so much. The little ones were very cute and very good but I have to say it was such a pleasure to see the older girls really dancing. I was so impressed with them and also with Jago's class who have blossomed and were so accomplished. They seem to have grown and developed tremendously.

I don't know how you all put such a gorgeous show together in such a short time. Everyone seemed to have so much fun. It was wonderful.

Jago loved doing it, very sad when it was over.

It has been a wonderful experience for him, it is so lovely for them to be in these shows, I remember vividly being in shows myself but The Ballet School does it with such style and panache!
